

## EVAPORATOR CORE CLEANER

Road Runner Shop Supplies EVAPORATOR CORE CLEANER is a proprietary quaternary ammonium compound formula designed to open up restricted air flow due to contaminant build up on the evaporator core surface, advance heat transfer, and optimize A/C systems. This specialized cleaner also deodorizes the A/C system and helps improve cabin air quality.

- Removes evaporator core contaminants.
- Helps optimize A/C system efficiency.
- Helps remove allergens from A/C system.
- Cleans and deodorizes.
- Quat technology.
- Fast and easy results.

## A/C ODOR TREATMENT

Road Runner Shop Supplies A/C ODOR TREATMENT is a special blend that quickly neutralizes odors that form in the evaporator core, housing of air-conditioner systems, and vehicle interiors. The formula eliminates odors caused by mold, mildew, bacteria, pets, smoke, and other contaminants on contact. It is equally effective at removing odors from interior surfaces such as seats, headliners, and carpet.

- Safe for **ALL** vehicle A/C systems.
- FAST & EASY (Approximately 5 Minutes!)
- NO expensive machines required to complete service.
- Treats hard-to-reach areas of the A/C system.
- Neutralizes odors on contact! Odors are eliminated, NOT masked.
- Neutralizes contaminants that can cause health problems for occupants.
- Versatile and economical: One bottle treats the A/C system and interior surfaces.
- Non-ozone depleting: NO CFCs. Contains NO solvents.

## FUEL INJECTOR CLEANER

Road Runner Shop Supplies FUEL INJECTOR CLEANER is a concentrated formula designed to clean the entire fuel system using detergents combined with surfactants, while improving combustion and reducing exhaust emissions. This formula safely removes moisture from the fuel system through the combustion process by solubilizing it with the fuel in the tank. Road Runner Shop Supplies Fuel System Cleaner is designed to lubricate injectors, valves, upper cylinders, and rings while dissolving carbon deposits, gums, and varnishes.

- Helps improve fuel mileage
- Reduces hesitation and stumbling on acceleration
- Improves rough idle

## FUEL SYSTEM 2-PART KIT

Road Runner Shop Supplies Aerosol FUEL SYSTEM 2-PART KIT combines two of our hottest, most aggressive formulas to clean and attack tenacious hard carbon deposits that build up and choke performance and is ideal for today's direct injection (GDI) engines.

This kit uses our proprietary Surface Science Technology to provide complete cleaning from the gas tank to the exhaust, safely dissolving and removing gums, varnish and carbon deposits and cleaning upper engine and intake systems.

- Removes hardened carbon deposits.
- Helps eliminate rough idle, knocking, and pinging.
- Helps restore compression.
- Improves power & performance.
- Reduces emissions.

## SYNTHETIC MULTI-VEHICLE ATF PROTECTANT

Road Runner Shop Supplies SYNTHETIC MULTI-VEHICLE ATF PROTECTANT can be used to protect Transmissions.

*Can also be used as a high-performance Top-Off.*

- Prevents and instantly stops torque converter shudder.
- Ensures and maintains proper shifts.
- Dramatically reduces wear on internal components.
- Prevents overheating, foaming and oxidation.
- Extends frictional stability and fluid change intervals.
- Superior oxidative and frictional stability.
- Restores older seals to like-new condition.
- Eliminated clutch pack chatter.

## ATF CLEAN & PROTECT 2-STEP KIT

Save your customers money and protect their transmission with Road Runner Shop Supplies ATF CLEAN & PROTECT 2-STEP KIT. Regular preventative maintenance may save on major repair costs and lessen the possibility of a transmission replacement.

*Not suitable for Continuously Variable Transmissions (CVT).*

- Compatible with **ALL** ATF fluids.
- Helps extend transmission life.
- Works against oxidation and fluid breakdown.
- Protects against component failure due to wear & heat by reducing friction.

Helps suspend varnish, sludge and contaminants from the transmission system, allowing for a better removal of wear metals and debris.

## THROTTLE BODY & AIR-INTAKE CLEANER

Road Runner Shop Supplies THROTTLE BODY & AIR-INTAKE CLEANER is a powerful solvent blend that will quickly remove gum, varnish, carbon, and other deposits. It improves engine performance by dissolving those deposits which build up and cause rough idling, hard starting, stalling, and poor acceleration.

It cleans the throttle valve, throttle body, idle air control valves, PCV valves, and other parts of the air induction system that have deposit accumulation.

## OIL SYSTEM CLEANER

Road Runner Shop Supplies OIL SYSTEM CLEANER concentrated formula helps free sticky lifters, piston rings, deposits, and excess oil consumption.

- Helps lubricate while cleaning.
- Save time and money – easy 5 minute process.
- Helps remove loose dirt and wear metal while extending engine life.

## SYNTHETIC LIMITED SLIP SUPPLEMENT

Road Runner Shop Supplies SYNTHETIC LIMITED SLIP SUPPLEMENT is specially formulated to be added to Road Runner Shop Supplies Gear Oil or any limited slip differentials requiring either mineral or synthetic gear oils.

- Provides superior protection.
- Eliminates noise and chatter.
- Protects clutch surfaces.
- Lowers temperatures.
- Prolongs fluid life.

## SYNTHETIC POWER STEERING TREATMENT

Save your customers money and protect their power steering system with Road Runner Shop Supplies SYNTHETIC POWER STEERING TREATMENT. Regular preventative maintenance may save on major repair costs and lessen the possibility of a component replacement.

- Protects against heat wear by reducing friction.
- Protects against component failure due to wear.
- Helps reduce foaming and squeal.
- Works against oxidation and fluid breakdown.
- Helps EXTEND power steering system life.

## COOLANT CLEAN & PROTECT 2-STEP KIT

Road Runner Shop Supplies COOLANT CLEAN & PROTECT 2-STEP KIT is formulated to break down and suspend rust, scale, and sediment. This non-acid-base product does not require a neutralizer and is compatible with plastic and aluminum.

This kit contains a unique corrosion and rust inhibitor technology that enhances the protection of cooling system metals such as iron, aluminum, copper, and solder. It also contains anti-foaming agents and provides additional protection to water pumps.

- Compatible with ALL types of coolant.
- Extended corrosion damage protection.
- Increases coolant's corrosion inhibiting performance.
- Protects water pump and reduces potential damage to pump surfaces.

SHOP SUPPLIES & MORE

## SERVICE DRIVE CHEMICAL PROGRAM

Road Runner Shop Supplies is your "One Stop Shop." Our team partners with automotive dealerships, service departments, and independent shops to supply top of the line professional grade automotive chemicals, detailing supplies, shop supplies, and janitorial products. For over fifteen years, our level of service has been unprecedented in the shop supply industry.

Let us be ***YOUR ONE STOP SHOP***

Benefits include:

- ◆ Utilizing the best products available today
- ◆ Competitively priced
- ◆ Includes all exchange equipment required
- ◆ Includes POS material
- ◆ Includes rebate program (optional)

Optional Rebate Program

Road Runner Shop Supplies has teamed up with rapid PAYCARD. This comprehensive paycard program eliminates paper checks and gets your technicians and/or service advisors paid faster. See a sales representative to discuss a rebate program that works best for your company. \* Rebates are typically dispersed monthly.
